General Information

York County's Special Recreation Camp is a summer program designed to provide a variety of recreational opportunities for youth with disabilities and/or special needs. The program fee includes daily activities, special events and field trips. Registration is limited. Participants should bring a bag lunch and beverage every day.

This camp maintains a ratio of approximately 1 staff member per 3 students in order to meet the special needs of the campers.

Various activities include weekly themes, arts and crafts, special visitors, field trips, swimming days, games, movies, and a talent show.

Fee Waiver

The Board of Supervisors has authorized a fee waiver for this program for any child whose family falls within the federal guidelines for Food Stamp Eligibility Limits applicable to York County. A copy of your Food Stamp Card is required with the registration form in order to qualify for this fee waiver.

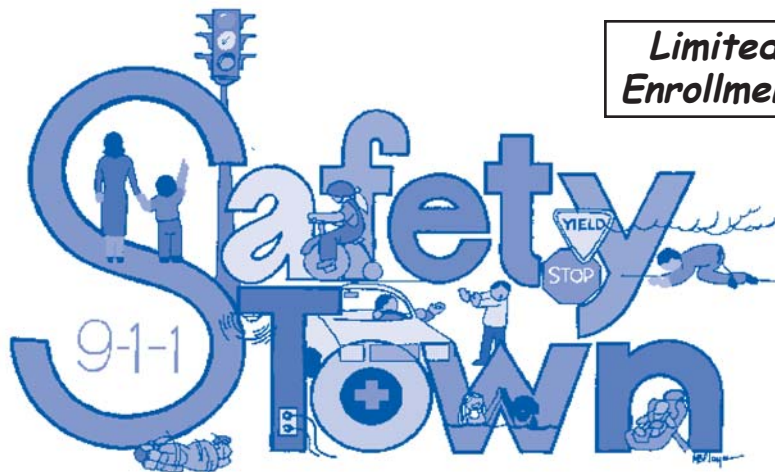

Field Trips

Our field trips will be listed on an activity calendar distributed prior to the first day of camp. The Special Recreation Camp site will not be open on field trip days. Parents are welcome to attend field trips, however, they must provide their own transportation and pay all fees associated with the trip. In case of inclement weather on outdoor field trip days, participants should call 890-3501 prior to 9:00 am for cancellation information.

Transportation

Attempts will be made to provide transportation to Bethel Manor Elementary School for as many children as possible. However, busing is limited and you may need to provide transportation for your child. Neighborhood shuttle buses will be arranged after registration has been completed. Transportation will not be provided for participants living in the Bethel Manor area unless a special need is determined and approved by Parks and Recreation.
